

MEDICINE HAT-CALGARY HIGHWAY

As the Medicine Hat-Calgary Highway is at last being rebuilt from Strathmore to Calgary I think now would be an opportune time to impress it upon the Minister of Highways to straighten out the road at Chesham Lake. Every one knows quite well that this is a dangerous piece of road which should never have been built in the first place around this so called lake. The proper place for the road is across the lake which is not quite one mile, while the present road is nearly three miles and contains four very dangerous curves. I understand our Minister of Highways contends it will cost more to build the road across the lake than to rebuild the old one. Allowing this to be a fact, in five years time the upkeep of the short road will be more than offset the first cost; whereas the road by nearly two miles' cut out four curves and make a straight road to Calgary. The elevation on either side of the lake would be quite sufficient for filling in and make a level road for nearly four miles, if every

BIG JOB PREPARING FEDERAL VOTERS LIST

All over Canada the work of preparing a new and permanent voters' list for the Dominion has been in progress and 40,000 enumerators have been sent to the cities. The remuneration is 5 cents a name to rural enumerators and 4 cents a name to city enumerators. Enumerators are supposed to work together in the city, bringing the cost to 14 cents a name. An allowance of \$10 is made in rural areas for three afternoons, for correcting the lists, but no such allowance is made in the cities. Printing of lists and remuneration is expected to cost \$1,000,000. The total expense of preparing the first list under the act is expected to be about \$2,000,000. Another \$500,000 will be added annually for salaries of permanent registrars in each electoral district. Details in connection with compiling of new voters' list makes it seem unlikely that there will be any election before next July.

NEW DOMINION FORESTRY STATION

Opening of a new Dominion forestry experimental station in the Kananaskis district, in Southern Alberta, will lead to six hundred single unemployed men being placed in camps in that region, according to provincial authorities. Announcement that 40,000 acres in that area will be transferred by the province to the Dominion for forestry station operations was made recently by Premier Reid. Under the agreement, which covers a long term lease, the Dominion is to have the property so long as it is used for experimental purposes. Some 22 miles of main roadway will be built through the region, in addition to branch roads, and permanent buildings will be erected. The Alberta station will be located south of the Kananaskis dam, in the valley of the Kananaskis river, north of the lake of that name.

ORATORICAL CONTEST

The Oratorical Contest for the eighth successive year was held on Friday evening with the Dining Room of the Memorial Hall well filled with interested parents and friends of the contestants. Mr. Schulte, President of the School Principals Association made a most pleasing Chairman. This year for the first, the larger number entered the grade 7 contest, with only two for grade 8 and five for grade 7. Choice musical numbers contributed by local artists alternating with the various speeches made a most entertaining evening. Particular mention must be made of Max and Wilson Walls who shared their debut on the stage as harmonium players and who received the very hearty applause of the audience. Also Andrew Garrett who played a Sax solo and also received an enthusiastic encore. Other artists, always favorites were Whistling solo, Mrs. T. Schulte; Piano duet, Misses Florence and Alice Garrett; Vocal solos by Miss Fols and instrumental selections by Miss Gerry Van Tighem. The contestants with their subjects are as follows: Grade 8—Schulte Cup—Crownfoot.

Local News Items

See the lovely Radio in Barber and Craddock's window, to be the possession of the lucky ticket holder in the Community Chest Draw. Mrs. Coutts was the guest of Mrs. A. Moore during her stay in Strathmore. The French Club will meet Sunday with Norman Ellis at the home of his mother Mrs. Marsh. Mr. and Mrs. R. Gannon have purchased the house recently vacated by Mr. Lydiatt and are now living there. Remember the meeting of Conservative Ladies to be held Friday at the home of Mrs. Spence Hughes. The Ladies Aid of the United Church will meet Thursday December 6th at the home of Mrs. M. S. Hirtle at 3 p.m. Messrs. Gene Groom, Leslie West, and Tony Van Wezel have left for the north on a big game hunting trip. Good luck.

Thursday, November 29th American Thanksgiving Day. November 29th, the wedding of Prince George of England and Princess Marina of Greece is solemnized in Westminster Abbey. May they be always happy. Mr. McDougall, though much better will remain in bed until the end of the week, when her friends all hope for a complete cure. U F A DIRECTIONS OF GLEICHEN HOLD MEETING. The Board of Directors of Gleichen Constituency Association, U F A, held a meeting in Municipal building at Strathmore on Monday afternoon to review the work of the year and to prepare for a nominating convention. President of the Association, J. M. Schmalz of Beiseker presided and Secretary G. C. Melendy of Carleton Place read the minutes of previous meetings. Directors from Bow Valley, Shepard, Grasswood, Blackfoot, Keoma and Carbon were present. The financial report showed the association to be in excellent financial condition. It was decided to hold a nominating convention after the annual U F A convention which is being held in Calgary the last week in January. The date of the nominating convention will be fixed later by the executive and will depend upon weather and road conditions. It is not likely this convention will be held before the middle or last of March. John C. Buckley, M. L. A. the sitting member for this constituency was present and scolded the prevalent rumors that he would not stand for nomination again. He declared that he would serve the constituency just as long as the members of the organization desired him to do so, and if another man should be nominated that he would get behind him faithfully and fight for him until the minute of voting on election day.

WHEN THE SLIP GETS BY

The typographical error is a slippery thing and sly. You can hunt till you are dizzy, but it somehow will get by you. Till the forms are off the press it is strange how still it keeps; it shrinks down in a corner and it never stirs or peeps. That typographical error, too small for human eyes, Till the ink is on the paper, when it is somehow to manifest itself. The boss he stares with horror, then he grabs his hair and groans: The copy reader drops his head upon his hands and moans. The remainder of the laze may be clean as clean can be, But the typographical error is the only thing you see.

NAMAKA

Mr. and Mrs. Foss of Standard spent Sunday at the home of Smitten and Fawkes. Miss Stella and Ivan Peterson returned last week after spending a very enjoyable holiday with their sister Grace at Bow Island. Miss Charlotte Watson was the lucky winner of \$5 in the Old Dutch Cleanser Laundry competition. Mr. Art Bremner, Leslie West, Gene Groom, Tony Van Wezel and Fred Wagner left Saturday a.m. on a Moose hunting expedition north of Edmonton. The Ladies Aid will meet at the home of Mrs. Peterson on Thursday December 13th for the annual meeting and election of officers. The skating club wish to acknowledge the receipt of \$2 from Rev. Dr. Brundage, \$50 from Mrs. Gooen and \$10 from Mrs. E. E. Egan.

The girls' softball team sponsored a surprise party at the home of Mr. and Mrs. Miller complimenting Miss Alice Baker on the occasion of her birthday. Several tables of bridge were played resulting in the ladies highest score going to Miss Merle Baker and the girls highest to Mr. Jack Little. Lunch was served after which Mr. Jack Bremner on behalf of the girls' softball team presented Merle with a beautiful pen and pencil set and on behalf of the boys set and on behalf of the girls a pair of gloves. Merle and Alice responded expressing their thanks and appreciation. Dancing was then enjoyed and the evening closed in a very enjoyable evening. Mr. Jack Agate of Tudor has been the guest of Mr. Alvin Scheer for a few days during the week. We are pleased to report that Mr. Swenson has been successfully operated upon by Dr. Mayo at Rochester. Swen expects to be back in the neighborhood in about six weeks. Mrs. E. England and family entertained on Sunday evening last at a very delightful dinner. The guests were Mr. and Mrs. Anderson; Mr. and Mrs. Johnson of Delmore and Mr. and Mrs. D. R. Garrett, Buster and Pauline. It is very gratifying indeed to see such a good attendance at Sunday School each Sunday. We sincerely hope that the last few days of the year will be a very successful one for all. We were delighted on Sunday last by the special hymn so perfectly rendered by our talented trio, Mr. and Mrs. Nilsson and Mr. Kenneth Newwood. We are so sorry to report that Charles Harvey has been on the sick list the last few days. We sincerely hope for a speedy recovery. Who ever was it that gave you that pain in the neck Charles?

M. W. WILSON President of the Royal Bank of Canada

FACTS ABOUT CHEESE

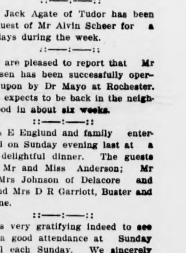

A pound of whole milk cheese contains about four ounces of protein, the best being cheddar. When cheese is eaten as the main dish at a meal which is finished with a light dessert, there is no cause for any digestive disturbance. Cheese is one of the best muscle builders for older boys and girls, as well as for adults, and is entitled to a larger place in Canadian menus. The cheddar type is practically the only kind of cheese made in Canadian cheese factories. In point of quality Canadian cheese stands absolutely at the top as compared with that which is exported by any other country.

SAVE THE STRAW

A very urgent appeal is being made by Mr. M. McGregor, M. C. of Brandon, Manitoba, sole purchasing agent for P. E. R. A. (Federal Emergency Relief Association of the U. S. A.) to all farmers to save to the limit, straw and fodder of all kinds to meet the extreme need that exists across the line. The plan is suggested that men on relief could be employed in baling and hauling the straw instead of being burned as has been and the return would net the farmer enough to meet a large part of his taxes. All requirements of straw and fodder would be met first, and the surplus shipped to the U. S. it is a pity to see animals starving on one side and fodder being wasted or burned on the other side of an imaginary line. Sympathetic and co-operative effort in relieving these fodder wants, fair prices are being paid would prove a neighborly act. See ad in this issue.

CROWFOOT

A most delightful and jolly party was arranged by Mrs. Charles Harvey on Monday last, to celebrate the 2nd birthday of her small son Rowe. After a very happy afternoon of games and pleasant conversation, a delicious and bounteous luncheon was served by the hostesses. The table was prettily centered with a very artistic birthday cake adapted to represent Noah's Ark, which drew a great many comments of surprise and pleasure from the guests. Rowe was the recipient of many lovely gifts and sincere wishes for future happiness. The guests comprised: Rowe, Margaret, and Joan Harvey; Mrs. Rowe Harvey; Mrs. T. B. Hughes; Miss Miss Hughes; Mrs. George Quinn and David; Mrs. Jas. Gannon and Verma May; Mrs. Ian McKenzie and Douglas; Mrs. Spence Hughes and Mrs. Norman Scheer and Norma. Mr. Jack Agate of Tudor has been the guest of Mr. Alvin Scheer for a few days during the week. We are pleased to report that Mr. Swenson has been successfully operated upon by Dr. Mayo at Rochester. Swen expects to be back in the neighborhood in about six weeks. Mrs. E. England and family entertained on Sunday evening last at a very delightful dinner. The guests were Mr. and Mrs. Anderson; Mr. and Mrs. Johnson of Delmore and Mr. and Mrs. D. R. Garrett, Buster and Pauline. It is very gratifying indeed to see such a good attendance at Sunday School each Sunday. We sincerely hope that the last few days of the year will be a very successful one for all. We were delighted on Sunday last by the special hymn so perfectly rendered by our talented trio, Mr. and Mrs. Nilsson and Mr. Kenneth Newwood. We are so sorry to report that Charles Harvey has been on the sick list the last few days. We sincerely hope for a speedy recovery. Who ever was it that gave you that pain in the neck Charles?

Miss Margaret Parr is the guest of Mrs. Deryl Jacobs.

NIGHTINGALE

Mrs. Capps is enjoying a visit in Edmonton with her daughter, Mrs. Johnston. There have been midnight prowlers around the Nevill farm, the result is the loss of quite a few sheep. Whether the prowler are four legged or two legged, no one knows. Jack Capps has returned from a business trip to Edmonton. Miss Mae Longbottom has been the guest of Mrs. Jacobs. On Monday evening Dave Clark, gave a Public demonstration to the neighboring families. Among those present were Don Murray, Mayor of Swanton; Mary Parr; James May Professor, and four farmers. Dave took home disgusted, no sale. Better luck next time. SUNDAY, DECEMBER 2nd At the United Church Strathmore, a special Seth Parker Song Service, with special congregational singing, fair prices are being paid would prove a neighborly act. See ad in this issue.

FIRST ANNIVERSARY OF THE WEEKLY LETTER AND A BRIEF REVIEW OF SOME INTERESTING BULLETINS

The first anniversary of the Lethbridge experimental station weekly

letter comes this week. Since the first issue a year ago this letter has appeared each week in daily and weekly newspapers throughout southern Alberta and has by now become established as a ready medium for supplying timely information to farmer readers in the area served by this station. Harvest effort has been made to make these letters useful and interesting and editors for the most part have been good enough to publish the letter each week. Their cooperation in this is gratefully acknowledged.

The object of the letter as outlined in the first issue has been to tell what goes on in the various departments at the station and to give some account of the daily work in the fields and gardens and with the live stock, poultry and bees. This original purpose has to a large extent been adhered to, though material used has been drawn from other available sources and in dealing with a major problem such as soil drifting, most of the information supplied has been collected in areas where soil drifting has occurred.

A number of farmer readers have asked for the letter to be sent directly to them each week but this has not been possible with the limited means and office help available, so to avail themselves of these letters regularly, farmers must be referred to their weekly newspaper or to one of the dealers that carry the letter on their farm page each week.

The letter has served to some extent in establishing a closer relationship between this station and people on the farm. Increased correspondence is evidence of this. However, it is believed many readers could make even greater use of the service this station has to offer and particularly the large number of bulletins, pamphlets and circulars that are available. These deal more collectively with the various subjects of farming than is possible in the weekly letter and should provide useful as well as interesting material for reading and studying during the winter months ahead. Bulletins may be obtained by writing to the Lethbridge station, or to the Publication's Branch, Department of Agriculture at Ottawa. Letters addressed to the Department at Ottawa do not require postage, but postage is required for letters addressed to the Lethbridge station.

The publications available provide excellent material for the farm library and an index book issued by the Publication's Branch gives a system classifying publications for future reference and study. The system is very simple and provides for numbering and filing material as it is received. Value of information often depends on having it where it can be found when needed and for this reason the index book, issued by the Publication's Branch, should be very useful.

The publications available for distribution include bulletins, pamphlets and circulars on field crops, live stock, dairying, orchard and gardening, insects and plant diseases, poultry, household and miscellaneous besides various reports and addresses and regulations affecting agriculture. A list of these publications may be obtained by writing to the Department at Ottawa.

—:O:—

POULTRY MEN ATTENTION

Every poultry producer with a flock of 25 birds or more will be given opportunity to vote for or against the proposed Alberta Poultry Marketing Scheme and the application of that scheme in the province will depend entirely upon such vote, a statement issued by the Alberta Poultry Marketing Board emphasizes.

Temporary headquarters of the poultry marketing board have been opened at 606 Northern Investment Building, Edmonton. Copies of the marketing plan may be obtained from this office.

To Be Relied On

In long experience with United Grain Growers Limited in selling their grain and in buying farm supplies, not only shareholders but all farmer customers have learned that this is an organization that is to be relied on.

Both the Company's facilities and its purpose to give the best possible service to farmers are unsurpassed.

CANADA'S SIXTH INDUSTRY THE TOURIST TRAFFIC

Heretofore we have spoken of the basic industries of Canada as being four in number, viz those having to do with the land, the forests, the mines and the fisheries.

Now with the continued development of our resources and progress of our people a fifth and sixth, equally important stand high in the scale of Canadian activities. In a very interesting article by our one time Calgary citizen and friend Mr. R. J. C. Stead in the C. P. R. magazine on Agricultural and Industrial Progress in Canada, Mr. Stead says, the harnessing of the water power of our rapids and waterfalls, thus providing power and light to numerous large and small industrial plants in addition to the many thousands of homes, constituted a fifth most important industry. Power is now transmitted hundreds of miles, with little cost.

In very recent years we are becoming conscious of another huge resource, awaiting merely our intelligent treatment and development. In order to add to our national wealth and individual happiness. This new resource being the Tourist Traffic. Larger and larger each year is the number of tourists coming to enjoy

the varied and numerous attractions Canada has to offer, and she has them in abundance, with her placid lakes, her wide rolling prairies, her majestic mountain ranges, etc, her varied sports and pleasure activities, and inviting new scenery to discuss the subject of his choice on the problem of the time with those studiously inclined.

Immigration officers during 1932 inspected and admitted the surprisingly large number of 12,669,345 tourists or whom all but 7155 were admitted at the International Boundary.

Traffic ranked a close second to that from the sale of Canada's wheat, no means industry.

Mr. Stead says, we speak of the Tourist industry for lack of a better word, The Tourist question has qualities too human to be thus industrialized. All the play of personality of acquaintanceships and friendships, the very reflection of our National character are linked up in this latest development. It is perhaps the beginning of a world internationalism. Tourist Travel is one of Canada's greatest assets.

ROCKYFORD

The 2nd annual Chautauqua put on by Rockyford and District Home Talent was a very successful affair. In spite of the very cold weather which had to visit us during Chautauqua week.

The Ladies Aid opened the Chautauqua with a Play. The Concert which was directed by Mrs. R. L. Stone. During the luncheon the orchestra played several selections.

Tuesday the evening program was put on by the Tudor Dramatic Society, two one act plays entitled the Scarecrow and the Illusion. Caudle sticks. Miss Fay Agate delighted the audience with two vocal solos, Duddy and Smiling Through.

Everyone enjoyed the comedy. When Youth Comes Tripping Along, which was very well put on St. Rita's Dramatic Club under the direction of Mrs. George Katterbach.

After having three plays the audience was glad to have a change on Thursday evening when the evening was spent in a variety program. Through the kindness of assisting artists from nearby towns the evening was a success. Mr. Jimmy Wilson of Rosedale delighted the audience with his acrobatic and step dancing. Miss Kneeshaw favored us with two vocal selections followed by Mr. Twiss with a cornet solo.

The Seales sisters of Strathmore then took charge of their own performance. The little Miss Seales delighted the hearts of everyone with her readings. Miss Mae Seales gave two piano solos.

The house was brought down when Harold Twiss gave several Xylophone selections. In fact the audience would have kept Mr. Twiss playing indefinitely. Mr. Russell Bragg gave a lecture on Service the Commodity.

The Strathmore Concert Party had charge of the program for the rest of the evening. The piano solos given by Miss Garrett was enjoyed by all, also the vocal solos and duets by Miss Falk and Mr. Hans. Mr. Patrick gave everyone a good laugh with his comic songs.

On Friday the Glenora Dramatic Society were also very kind in helping us out by putting on the fourth and last Play. Attorney for the Defense, which was a splendid success. Following the play a dance took place everyone having a jolly time which ended the Chautauqua for 1934.

Ladies Aid met in the home of Mrs. J. Prater on Thursday afternoon. Owing to Chautauqua week the crowd present was rather small but everyone enjoyed the meeting and the delightful lunch. The Bazaar and Chicken Supper will be held on Tuesday, December 3rd. The next meeting will be with Mrs. D. R. Poole on Thursday December 12th.

MEMORIAL HALL—
P. W. WRIGHT—Manager
J. FAWKES—Asst. Manager
C. KEELING—Sec-Treas
The Memorial Committee have de-
cided in view of the prevailing cir-
cumstances to make a reduction on
the rental charges for the Memorial
Hall for this year and the following
rates are now in force.
All other charges are unchanged.
Main Hall for Meetings and
Concerts—\$15.00
Main Hall for Dance—\$20.00
Main Hall and Dining Room for
Concerts, etc—\$20.00
Main Hall and Dining Room for
Dances—\$25.00
The rates for the Dining Room will
remain as formerly, viz: \$ 5.00
Card Parties, Dances, etc. with use of
Kitchen \$7.50

Tour Europe

"Globe Trotter" 118
\$121.50, with tubes

Tour the World!
... for the kind of
entertainment you want

VICTOR RADIO

"Globe Trotter" 118
\$65.00, with tubes

There's nothing quite like the thrill of
Globe-trotting with Victor Radio. Here
is the proven set... for European
short-wave reception... for distant
North American stations by daylight...
for finer standard-wave performance.

We have many models of Victor's famous
"Globe Trotter"—in a wide range of prices.
And remember—when buying your new
radio—there is only one "Globe Trotter"
... and it is made by Victor. Easy terms.

For better reception from any set—Victor "Globe Trotter" Antenna.

AS LOW AS
\$65.50

ALBERTA

LOCALS

Mrs. Shaloun of Carleton, Man. is a
guest of her niece Mrs. A. D. Shrim-
ton for a few days.

Good reading at moderate cost. Two
offers of excellent reading are given
in the advertising columns of the
Standard this week. Secure a year's
good reading at very small cost. See
advertisements for Family Herald and the Mag-
azine offer.
